

#### IDENTITY IS THE SECRET

The great healer Joel Goldsmith was once asked by two ministers if he would teach them meditation. Allegedly the abbreviated story goes: Yes gentlemen I will, but first of all you answer me two questions. First of all do you believe that Jesus is the Son of God? Yes well obviously we do was the reply! Do you believe that I am the Son of God? There was a deadly hush with no answer. Okay then said Joel, do you believe the scriptures when it says 'call no man your father upon the earth for one is your father which art in Heaven'. They caught it immediately! Ministers, you do well in omitting passages of scripture that you do not understand.

The world is full of those who do not yet know that they are 'joint heirs in Christ with all the heavenly riches'. They are in spiritual darkness and up till now gentlemen you have been leading that spiritual darkness....

## CHRIST CONSCIOUSNESS (ENLIGHTENMENT) IS IN EVERY PERSON

George Fox the Quaker said 'God's light is in every person.....' In today's language it would probably be 'Christ Consciousness' is within every person. Buddha simply called it 'ENLIGHTENMENT'. The Catholic church took re-incarnation out of its teachings at Constantinople in AD 553. Most of Europe and nearly 25% of the United States is Catholic. 'IMAGINE' a world where every person CONSCIOUSLY KNEW they had the potential for Christ consciousness and Enlightenment and could live in accord with their TRUE IDENTITY and 'Body of Light' where disease, ageing and death is unknown.
